Title	Author	Age	Comments
The Princess and the Kiss	Jennie Bishop	young	
Emotional Purity	Heather Arnel Paulsen	16+	I love this one!
The Bride Wore White	Dannah Gresh	--	This one seems way more geared toward girls who already may have lost their virginity
Sleeping Beauty and the Five Questions	Doug Phillips		
Passion and Purity	Elisabeth Elliot	16+	Just a different kind of story about someone's courtship, an encouragement to purity, not a how-to book. Anna loved it but says don't read before 16 because it deals with sexual purity
Quest for Love	Elisabeth Elliot	16+	sequel to Passion and Purity; more testimonials of more people who courted
The Journey of Daughterhood (CD)	Doug Phillips		
Raising Maidens of Virtues	Stacy McDonald	12+	great mother/ daughter book maybe 12 or older for Biblical femininity
What's a Girl to Do (CD)	Doug Phillips	12+	great help for daughters to understand their roles
So Much More	Anna Sofia Botkin & Elizabeth Botkin	16+	This book is life changing for some young women. Rachel says it's a radical approach to daughterhood. She loves this book!
Before You Meet Prince Charming	Sarah Stephen & Grace Mally	12+	probably okay at 12, but might not appreciate the meaning till 14 or so. Anna LOVED this book! Explains why courtship is a good idea and why you should obey your parents in this.
Strength and Dignity for Daughters (CD)	Anna Sofia Botkin & Elizabeth Botkin		
The Return of the Daughters (movie)	Anna Sofia Botkin & Elizabeth Botkin		movie of girls who are living out our way of life... very encouraging for my daughters when no one is living this way.
Dear Princess	Mary M. Landis	12, 13	older girls won't like it.
Beautiful Girlhood	Karen Andreola	11+	has a study guide to go with it if you want
Waiting for True Love	Julia Duin and Diana Magnuson	10+	a set of stories... Anna loved it.
For Young Women Only	Shaunti Feldhahn and Lisa A. Rice	16+	not before 16 for more homeschool type girls
Secret Keepers	Mindy Friddle		age depends on when you'd like to tell your girls about this power.
Authentic Beauty	Leslie Ludy	16+	a great book for obtaining a closer relationship with God and to not worry about boys
** Every Young Woman's Battle	Stephen Arterburn		** We DON'T recommend this. We started to do it together and it was WAY too racy for us.
